Your Palm Beach Oasis

SPECIAL TO FLORIDA WEEKLY

Your friends will never want to leave this sophisticated, nearly 3,000-square-foot, three-bedroom, three-bath, two-story condo at Oasis in Palm Beach.

Ascend the mahogany staircase to your master and guest rooms with dramatic ocean views everywhere. Listen to soft tumbling waves as you fall asleep and awaken to captivating sunrises. The flexible floorplan with open kitchen, vast living area, two guest suites, master and morning room can be arranged according to lifestyle depending on your priorities. The unit with designer appointments may be purchased turn-key, fully furnished and equipped.

The residence is framed by 350 square feet of balcony overlooking terraced gardens, pool and ocean. All windows and doors are state-of-the-art and offer highest standard in hurricane impact glass protection. Volume ceilings and two-story windows enhance the dramatic design. The mahogany floating staircase adds a decided graphic punch. Other upgrades include custom electric windows treatments, two new air conditioning units and an upgraded electrical panel.

The architecturally distinctive Oasis complex is composed of three glass-encased buildings that artfully bring the beauty of Florida into the living space. The well-conceived common areas and glass elevators are a modern creation.

The Oasis offers resort-style living with a wide range of amenities, including boat dockage, a lakeside tennis court, three gyms, a heated pool with daily water and towels, garage, on-site storage room, two

card rooms, a library/gathering room, a game room, his and her cabana baths and barbecue area. The coveted dune deck is being expanded and is a marvelous place to relax in the sun surrounded by glorious views and the ocean breeze.

This truly is a serene oceanfront paradise with endless possibilities.
